28. The Monitor will inform the Applicant and the DIP Lender as soon as practicable of any material development in connection with the submission of Phase II Bids and will remit copies of any Phase II Bids received to each of them.
29. Following the Phase II Bid Deadline, the Monitor, in consultation with the Applicant and the DIP Lender, will assess the Phase II Bids received. The Monitor, in consultation with the Applicant and with the prior written consent of the DIP Lender, may designate the most advantageous Phase II Bids that comply with the requirements set forth in paragraph 27 to be “**Selected Bid(s)**” (and the Qualified Bidder(s) having made the Selected Bid(s) as “**Selected Bidder(s)**”). Only Selected Bidders shall be eligible to participate in the Auction and/or become the Successful Bidder(s). The Monitor shall advise all Qualified Bidders not designated as a Selected Bidder of such decision as soon as reasonably practicable.
30. The Monitor, in consultation with the Applicant and with the prior written consent of the DIP Lender, may waive compliance with any one or more of the requirements set out in paragraph 27 and deem such non-compliant Phase II Bid(s) to be a Selected Bid(s).
31. The Monitor, in consultation with the Applicant and with the prior written consent of the DIP Lender, may aggregate separate Selected Bids from unaffiliated Selected Bidders to create one Selected Bid.
32. The Monitor, in consultation with the Applicant and the DIP Lender, shall be entitled to discuss and negotiate the Phase II Bid(s) prior to the Phase II Bid Deadline for purposes of amending or clarifying the terms and form thereof.

33. The Monitor may, in consultation with the Applicant and the DIP Lender, following the receipt of any Phase II Bid, either independently or following a request from the Applicant or the DIP Lender, seek clarification with respect to any of the terms or conditions of such Phase II Bid and/or request and negotiate one or more amendments to such Phase II Bid before determining if the Phase II Bid should be designated as a Selected Bid pursuant to paragraph 29.
34. The Monitor shall be under no obligation to accept the highest or best Phase II Bid(s) or any Phase II Bid(s) as a Selected Bid(s). In the event that there are no Selected Bidders or that no satisfactory Phase II Bid is received, the Monitor, in consultation with the Applicant and with the prior written consent of the DIP Lender, may extend the Phase II Bid Deadline or terminate the SISP.
35. Subject to any order of the Court, and notwithstanding anything to the contrary contained herein, if the DIP Lender has not approved of any Qualified Bidder being designated as a Selected Bidder before the Selected Bidder Deadline, the SISP shall automatically terminate at such time, unless otherwise agreed to by the DIP Lender.

Selection of Successful Bid(s)

36. The Monitor, in consultation with the Applicant and the DIP Lender, will review and evaluate each Selected Bid upon several factors including, without limitation: (a) the amount of consideration being offered and, if applicable, the proposed form, composition and allocation of same (it being understood that, all else being equal, cash consideration is preferable to non-cash consideration, with the value of any non-cash consideration being determined by the Monitor in its business judgment, in consultation with the Applicant and the DIP Lender); (b) the value of any assumption of liabilities or waiver of liabilities not otherwise accounted for in item (a); (c) the identity, circumstances and ability of the Selected Bidder to successfully complete such transactions and the timing thereof (including factors such as the transaction structure and execution risk, including conditions to, timing of, and certainty of closing; termination provisions; financial wherewithal to meet all commitments; and required governmental or other approvals); (d) the proposed transaction documents; (e) factors affecting the speed, certainty and value of the transaction; (f) the assets and liabilities included or excluded from the Selected Bid; (h) any related restructuring costs; (i) any synergies between the Bidder's business and the Applicant's Business; (j) the likelihood of the Court's approval of the Selected Bid as a Successful Bid; and (k) the net benefit to the Applicant and its stakeholders, each in consultation with the Applicant and the DIP Lender.
37. Following such review and evaluation, if the Monitor receives one Phase II Bid that the Monitor: (a) designates as a Selected Bid, and (b) determines with respect to such Selected Bid, that it would be appropriate to consummate the transaction contemplated therein, then the Monitor shall, in consultation with the Applicant and with the prior written consent of the DIP Lender, designate such Selected Bid as a successful bid (the "**Successful Bid(s)**"), and the Selected Bidder(s) making such Bid(s), the "**Successful Bidder(s)**"), with or without negotiation of the Selected Bid.
38. At any stage of the SISP, the Monitor, in consultation with the Applicant and the DIP Lender, may ascribe monetary values to non-monetary terms of any Bid for the purposes of assessing and/or valuing such Bids, including without limitation, the value to be ascribed to any liabilities or contracts to be assumed or not assumed.
39. If the Monitor receives multiple Phase II Bids that are designated as Selected Bids, the Monitor, in consultation with the Applicant and with the prior written consent of the DIP Lender, shall direct such Selected Bidders to participate in an Auction to be conducted and administered by the Monitor in accordance with the terms set forth in these SISP Procedures (the "**Auction**").

40. As soon as reasonably practicable and by no later than the Successful Bidder / Auction Notice Deadline, the Monitor, in consultation with the Applicant and with the prior written consent of the DIP Lender, shall advise each Selected Bidder (i) whether it has been designated as a Successful Bidder and (ii) whether an Auction will be held and, if so, the date, time, location and the rules (if any) of the Auction.
41. The Monitor shall be under no obligation to accept the highest or best Selected Bid(s) or any Selected Bid(s) as a Successful Bid(s) or a Back-Up Bid(s) or to hold an Auction. In the event that there are no Successful Bidders and no Auction is to be held, the Monitor, in consultation with the Applicant and with the prior written consent of the DIP Lender, may extend the Successful Bidder / Auction Notice Deadline or terminate the SISP.
42. Subject to any order of the Court, and notwithstanding anything to the contrary contained herein, if the DIP Lender has not (i) approved of any Selected Bidder being designated as a Successful Bidder or (ii) agreed that an Auction should be held before the Successful Bidder / Auction Notice Deadline, the SISP shall automatically terminate at such time, unless otherwise agreed to by the DIP Lender.

Auction Procedure

43. Only Selected Bidders shall be eligible to participate in the Auction. No later than 5:00 p.m. (Toronto time) on the business day prior to the Auction, each Selected Bidder must inform the Monitor whether it intends to participate in the Auction. The Monitor will promptly thereafter inform in writing, or cause to be informed in writing, each Selected Bidder who has expressed its intent to participate in the Auction (the “**Auction Participants**”) of the identity of all other Selected Bidders that have indicated their intent to participate in the Auction.
44. The Auction shall be governed by the following procedures:
 - (a) **Participation at the Auction.** Only the Monitor, the Applicant, the Auction Participants, the DIP Lender and each of their respective advisors will be entitled to attend the Auction, and only the Auction Participants will be entitled to make any subsequent Overbids at the Auction. The Monitor shall provide all Auction Participants with the details of the Initial Bid by no later than 5:00 p.m. (Toronto time) on the business day prior to the Auction;
 - (b) **No Collusion.** Each Auction Participant shall be required to confirm on the record at the Auction that: (i) it has not engaged in any collusion with respect to the Auction and the SISP; and (ii) its bid and each subsequent Overbid is a good-faith, irrevocable offer, which, if accepted by the Monitor on the record of the Auction, forms a binding agreement between the parties, and that the Auction Participant intends to consummate the proposed transaction if selected as the Successful Bidder;
 - (c) **Minimum Overbid.** The Auction shall begin with the Selected Bid(s) that represents the highest or otherwise best Selected Bid(s) as determined by the Monitor, in consultation with the Applicant and with the prior written consent of the DIP Lender (the “**Initial Bid(s)**”), and any Bid made at the Auction by an Auction Participant subsequent to the Monitor’s announcement of the Initial Bid(s) (each, an “**Overbid**”) must proceed in minimum additional increments of \$100,000, or as otherwise declared by the Monitor during the Auction with the approval of the Applicant and the DIP Lender;

- (d) **Bidding Disclosure.** The Auction shall be conducted such that all Overbids will be made and received in one group video conference, on an open basis, and all Auction Participants will be entitled to be present for all bidding with the understanding that the true identity of each Auction Participant will be fully disclosed to all other Auction Participants and that all material terms of each subsequent Bid will be fully disclosed to all other Auction Participants throughout the entire Auction; provided, however, that the Monitor, in its discretion, may establish separate video conference rooms to permit interim, technical, or clarifying discussions between the Monitor and individual Auction Participants with the understanding that all formal Overbids will be delivered in one group video conference, on an open basis;
 - (e) **Bidding Conclusion.** The Auction shall continue in one or more rounds and will conclude after each Auction Participant has had and refused the opportunity to submit an Overbid with full knowledge of the then-existing highest Initial Bid(s) or Overbid(s) (as the case may be), at which time the Monitor will declare the Auction to be concluded;
 - (f) **No Post-Auction Bids.** No Overbids will be considered for any purpose after the Monitor has declared the Auction to be concluded; and
 - (g) **Auction Procedures.** The Monitor, in consultation with the Applicant and the DIP Lender, shall be at liberty to modify or to set additional procedural rules for the Auction as it sees fit.
45. During the Auction, the Monitor, in consultation with the Applicant and the DIP Lender, will:
- (a) review Selected Bids and Overbids, as the case may be, considering the factors set out in paragraph 36, among others; and
 - (b) identify the highest or otherwise best Selected Bid or Overbid received at any given time during the Auction, and, in consultation with the Applicant and with the approval of the DIP Lender, designate the highest or otherwise best such Bid or Bids at the conclusion of the Auction as the Successful Bid(s), and the Selected Bidder(s) making such bidder the Successful Bidder(s).

Back-Up Bids

46. The Monitor may conditionally accept one or more (if for distinct and compatible transactions) Selected Bids, which acceptance will be conditional upon the failure of the transaction(s) contemplated by the Successful Bid(s) to close (the “**Back-up Bid**” and the Selected Bidder making such Back-up Bid being the “**Back-Up Bidder**”).

Sale Approval Motion Hearing

47. The Successful Bid(s) and any Back-Up Bid(s) shall be selected by no later than May 23, 2025 (if no Auction is held) or May 27, 2025 (if an Auction is held), and the Monitor shall provide notice of such decision to the applicable Successful Bidder(s) and Back-Up Bidder(s) as soon as reasonably practicable thereafter. The definitive documentation in respect of the Successful Bid(s) must be finalized and executed by no later than June 3, 2025 which definitive documentation shall be conditional only upon the receipt of the Approval Order(s) (as defined below) and the express conditions set out therein and shall provide that the Successful Bidder(s) shall use all reasonable efforts to close the proposed transaction by no later than the Outside Date, or such longer period as

may be agreed to by the Monitor, with the prior written consent of the DIP Lender, and the applicable Successful Bidder(s).

48. The Monitor shall apply to the Court for one or more orders (the “**Approval Motion(s)**”): (i) approving the Successful Bid(s) and any Back-Up Bid(s) and authorizing the taking of such steps and actions and completing such transactions as are set out therein or required thereby; and (ii) granting a vesting order and/or reverse vesting order to the extent that such relief is contemplated by such Bid(s), as applicable, so as to vest title to any purchased assets in the name of the applicable Bidder(s) and/or vesting unwanted liabilities out of the Applicant (collectively, the “**Approval Order(s)**”). The Approval Motion(s) will be held on a date to be scheduled by the Monitor, in consultation with the Applicant, the DIP Lender and the Successful Bidder(s) and any Back-Up Bidder(s), and confirmed by the Court, which shall use its best efforts to schedule the Approval Motion(s) by no later than June 13, 2025, subject to the Court’s availability and the terms hereof. With the consent of the Applicant, the DIP Lender and the Successful Bidder(s) and any Back-Up Bidders, the Approval Motion(s) may be adjourned or rescheduled without further notice, by an announcement of the adjourned date at the Approval Motion(s) or in a notice to the service list of the CCAA Proceedings (the “**Service List**”) prior to the Approval Motion(s). The Monitor shall consult with the Applicant, the DIP Lender and the Successful Bidder(s) and any Back-Up Bidder(s) regarding the motion materials to be filed for the Approval Application(s).
49. All the Selected Bids other than the Successful Bid(s) and the Back-Up Bid(s), if any, shall be deemed to be rejected by the Applicant on and as of the date of approval of the Successful Bid(s) by the Court with no further or continuing obligation on the Monitor to such unsuccessful Selected Bidder(s), except for the return of the Deposit pursuant to paragraph 57.
50. If a Successful Bidder(s) fails to close the transaction contemplated by the Successful Bid(s) on or before the Outside Date for any reason, then the Applicant will be deemed to have accepted the Back-Up Bid(s) and will proceed with the transaction pursuant to the terms thereof. The Back-Up Bid(s) shall remain open for acceptance until the closing of the Successful Bid(s), or such other later date as the Applicant and the Back-Up Bidder may agree, acting reasonably (the “**Back-Up Bid Expiration Date**”).

Participation of Secured Lenders

51. The Monitor, in consultation with the Applicant, may, as it deems appropriate, consult with secured creditors of the Applicant throughout the SISP upon such assurances as to confidentiality as the Monitor may require. To the extent any secured creditor is or is related to a Potential Bidder, the Monitor and Applicant shall not provide such secured lender with information that might create an unfair advantage or jeopardize the integrity of the SISP unless such secured creditor irrevocably confirms in writing to the Monitor that it shall not submit or participate directly in the submission of a Bid. The DIP Lender has provided such confirmation to the Monitor and shall therefore be entitled to the consent and consultation rights provided for herein.
52. Subject to any order of the Court, and notwithstanding anything to the contrary contained herein, following the Phase II Bid Deadline: (a) the DIP Lender may support any Phase II Bid(s) by agreeing to convert its debt to equity or otherwise be treated as an unaffected creditor in the transaction proposed in such Phase II Bid; and (b) the DIP Lenders’ decision to provide any such support shall not affect any of its rights hereunder, including its consultation and consent rights.

Insider Participation

53. The Monitor shall not furnish any information to any officer, director, or employee of, or other non-arms' length party in relation to, the Applicant (each such person, an **"Insider"**) where the Insider's receipt of such information might create an unfair advantage or jeopardize the integrity of the SISP, unless such Insider irrevocably confirms in writing to the Monitor that he, she or it shall not submit or participate directly or indirectly in the submission of a Bid (an **"Insider Notice"**). Any Insider who delivers an Insider Notice to the Monitor by the Insider Notice Deadline shall not be entitled to participate directly or indirectly as a Potential Bidder, Qualified Bidder, Selected Bidder, or Successful Bidder in the SISP and shall thereafter be entitled to receive such updates and information regarding the status of the SISP as the Monitor deems appropriate.

Deposits

54. Any Phase I Deposit or Deposit shall be held by the Monitor in a single interest bearing account designated solely for such purpose. A Deposit paid by a Successful Bidder shall be dealt with in accordance with the definitive documents for the transactions contemplated by the applicable Successful Bid. Phase I Deposits, and any interest earned thereon, paid by Phase I Bidders not selected as either a Qualified Bidder or a Selected Bidder shall be returned to such Phase I Bidder within three (3) business days of being advised that it is not a Qualified Bidder or Selected Bidder, as the case may be. Deposits, and any interest thereon, paid by Qualified Bidders not selected as either a Successful Bidder or a Back-Up Bidder shall be returned to such Qualified Bidders within three (3) business days of Court approval of the Successful Bid(s). In the case of Back-Up Bid(s), the Deposit and any interest earned thereon shall be retained by the Monitor until the Back-Up Bid Expiration Date and returned to the Back-Up Bidder within three (3) business days thereafter or, if a Back-Up Bid becomes a Successful Bid, shall be dealt with in accordance with the definitive documents for the transaction contemplated by the Back-Up Bid.

"As is, Where is"

55. Except to the extent otherwise set forth in a definitive sale or investment agreement with the Successful Bidder(s), any sale of the Property or investment in the Business or the Applicant will be on an "as is, where is" basis and without surviving representations or warranties of any kind, nature, or description by the Monitor, the Applicant, or any of their respective directors, officers, employees, agents, representatives, advisors or estates, and, in the event of a sale, all of the right, title and interest of the Applicant in and to the Property to be acquired will be sold free and clear of all pledges, liens, security interests, encumbrances, financial and monetary claims and charges, options and interests therein and thereon pursuant to Court order(s), to the extent that the Court deems it appropriate to grant such relief and except as otherwise provided in such Court order(s).

Further Orders

56. At any time during the SISP, the Monitor, the Applicant or the DIP Lender may apply to the Court for advice and directions with respect to any aspect of the SISP, including, but not limited to, the continuation of the SISP or with respect to the discharge of their powers and duties hereunder.

Confidentiality and Access to Information

57. Unless expressly provided for herein, participants and prospective participants in the SISP shall not be permitted to receive any information that is not made generally available to all participants relating to the number or identity of Potential Bidders, Qualified Bidders, Selected Bidders or Successful Bidder(s), or the details of any Bids submitted or the details of any confidential discussions or correspondence between the Applicant, the Monitor, the DIP Lender and such other

Potential Bidders, Qualified Bidders, Selected Bidders or Successful Bidder(s) in connection with the SISP, except to the extent that the Monitor (in consultation with the Applicant and the DIP Lender, and with the consent of the applicable Bidders) are seeking to combine separate Bids to form a Selected Bid pursuant to the terms hereof.

58. All discussions regarding a Sale Proposal, Investment Proposal or Bid in the SISP should be directed through the Monitor. Under no circumstances should the management of the Applicant be contacted directly without the prior written consent of the Monitor and the DIP Lender. For greater certainty, the Monitor shall be present at any discussions between any Potential Bidder, Qualified Bidder, Selected Bidder or Successful Bidder and the Applicant (which includes any directors, officers, employees, agents, representatives, and advisors of the Applicant), unless otherwise expressly agreed to by the Monitor and the DIP Lender. Any such unauthorized contact or communication between any Bidder and the Applicant will result in the immediate disqualification of such Bidder from the SISP, unless otherwise agreed to by the Monitor and the DIP Lender.

Additional Terms

59. In addition to any other requirement of the SISP:
- (a) The Monitor shall at all times prior to the selection of the Successful Bid(s) use commercially reasonable efforts to facilitate a competitive bidding process in the SISP including, without limitation, by actively soliciting participation by persons who would be customarily identified as high potential bidders in a process of this kind or who may be reasonably proposed by any of the Applicant's stakeholders as a high potential bidder.
 - (b) Any consent, approval or confirmation to be provided by the Monitor, the Applicant or the DIP Lender hereunder is ineffective unless provided expressly in writing and any approval required pursuant to the terms hereof is in addition to, and not in substitution for, any other approvals required by the CCAA Proceedings or any agreement between such parties or as otherwise required at law in order to implement a Successful Bid(s). For the avoidance of doubt, a consent, approval or confirmation provided by email shall be deemed to have been provided in writing for the purposes of this paragraph (b).
 - (c) Prior to the seeking the Court's approval for any transaction or Bid contemplated by these SISP Procedures, the Monitor will provide a report to the Court regarding the SISP and the Successful Bid(s) and any Back-Up Bid(s), parts of which may be filed under seal, including in respect of any and all Bids received.
60. The Monitor shall oversee and conduct the SISP in all respects, and, without limitation to that supervisory role, the Monitor will participate in the SISP in the manner set out in the SISP Order, including these SISP Procedures, the Initial Order and any other orders of the Court, and is entitled to receive all information in relation to the SISP. In the event that there is disagreement as to the interpretation or application of the SISP, the Court will have the jurisdiction to hear and resolve such dispute.
61. The SISP does not and will not be interpreted to create any liability, obligation, contractual or other legal relationship between the Monitor, the Applicant, and/or the DIP Lender on the one hand, and any Potential Bidder, Qualified Bidder, Selected Bidder, Successful Bidder and/or any other party on the other hand, other than as specifically set forth in a definitive agreement executed by the Applicant with the approval of the Monitor and the DIP Lender.

62. Without limiting the generality of the preceding paragraph, none of the Monitor, the Applicant, nor the DIP Lender shall have any liability or obligation whatsoever to any person or party (including to one another), including, without limitation, any Potential Bidder, Qualified Bidder, Selected Bidder, Successful Bidder, or any other creditor or other stakeholder of the Applicant, for any act or omission related to the process contemplated by these SISP Procedures. By submitting a Phase I LOI and/or a Phase II Bid, each respective interested party shall be deemed to have agreed that it has no claim against the Monitor, the Applicant, or the DIP Lender for any reason whatsoever in relation to the SISP or the Opportunity, other than as specifically set forth in a definitive agreement executed by the Applicant with the approval of the Monitor and the DIP Lender.
63. Participants in the SISP are responsible for all costs, expenses and liabilities, including, without limitation, finder's fees, broker's fees or any similar fees, incurred by them in connection with the submission of any Phase I LOI or Phase II Bid, due diligence activities, the Auction and any further negotiations or other actions whether or not they lead to the consummation of a transaction. Neither the Monitor, the Applicant, or the DIP Lender shall be liable to any person for any claim for brokerage commission, finder's fee or like payment in respect of the consummation of any transaction arising out of or in connection with the SISP. Any such claim shall be the sole liability of the parties that submitted such Successful Bid(s) and shall not affect the consideration to be paid by the Successful Bidder(s) under the applicable Successful Bid(s).
64. Notwithstanding anything contained herein, with the consent of the DIP Lender, the Monitor may at any time: (i) remove any portion of the Property and/or Business from the SISP; (ii) bring a motion to the Court to seek approval of a sale of, or investment in, all or part of the Business whether or not such sale or investment is in accordance with the terms or timelines set out in the SISP; and (iii) establish further or other procedures for the SISP, provided that the Service List shall be advised of any material modification to these SISP Procedures.
65. The Monitor, with the prior written consent of the Applicant and the DIP Lender, and in accordance with these SISP Procedures, shall have the right to modify the SISP if, in its reasonable business judgment, such modification would enhance the process or better achieve the objectives of the SISP; provided that the Service List shall be advised of any material modification to these SISP Procedures.
66. Notwithstanding anything to the contrary in the SISP Order, including these SISP Procedures, the Applicant, in consultation with, and with the approval of, the Monitor and the DIP Lender, may attempt to negotiate a stalking horse bid (a "**Stalking Horse Bid**") prior to the commencement of the SISP to provide certainty for the Applicant during the SISP, provided, however, that the Monitor must be present for any discussions with potential stalking horse bidders and the DIP Lender must approve of any such Stalking Horse Bid, which approval can be withheld in the sole and absolute discretion of the DIP Lender. If the Applicant, in consultation with, and with the approval of, the Monitor and the DIP Lender, accepts a Stalking Horse Bid, such Stalking Horse Bid shall be subject to approval by the Court and the Applicant shall bring a motion before the Court on notice to the Service List seeking the approval of the Stalking Horse Bid which motion shall be heard by no later than the Phase I LOI Deadline, together with approval of any necessary amendments to the SISP Order, including these SISP Procedures. All Potential Bidders shall be promptly informed of any Court approval of a Stalking Horse Bid and any related amendments to the SISP.
