Chapter 11

**FIRST INTERIM APPLICATION FOR COMPENSATION AND REIMBURSEMENT
OF EXPENSES FOR BERNSTEIN, SHUR, SAWYER & NELSON, P.A., AS COUNSEL
TO ROBERT J. KEACH, ESTATE REPRESENTATIVE, FOR THE PERIOD
DECEMBER 23, 2015 THROUGH AND INCLUDING JUNE 30, 2016**

Bernstein, Shur, Sawyer & Nelson, P.A. (“BSSN”), counsel to Robert J. Keach, the estate representative (the “Estate Representative”) of the post-effective date estate of Montreal Maine & Atlantic Railway, Ltd. (“MMA” or the “Debtor”),¹ submits this first application (the “Fee Application”) seeking compensation for professional services and reimbursement of expenses on an interim basis for the period from December 23, 2015 through and including June 30, 2016 (the “Compensation Period”). In support of the Fee Application, BSSN states as follows:

JURISDICTION AND VENUE

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding pursuant to 28 U.S.C. §157(b)(2). The statutory predicates for the relief sought herein are sections 327(a) and 330 of the Bankruptcy Code, Federal Rule of Bankruptcy Procedure 2016(a), and Rule 2016-1 of the local rules of this Court (the “Local Rules”).

¹ In accordance with the Trustee’s confirmed chapter 11 plan (the “Plan”), Robert J. Keach became the Estate Representative of the post-effective date estate of MMA on the effective date of the Plan, December 22, 2015. *See* Plan, § 6.1(a).

BACKGROUND

2. On August 7, 2013 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 11 of 11 U.S.C. § 101 *et seq.* (the “Bankruptcy Code”) in the United States Bankruptcy Court for the District of Maine (the “Bankruptcy Court”). On August 21, 2013, the United States Trustee (the “U.S. Trustee”) appointed Robert J. Keach as chapter 11 trustee (the “Trustee”) to serve in the Debtor’s chapter 11 case (the “Case”) pursuant to 11 U.S.C. § 1163.

3. On August 21, 2013, the Trustee filed his *Application for Order, Pursuant to Sections 327 and 328 of the Bankruptcy Code, Authorizing the Employment of Bernstein, Shur, Sawyer & Nelson, P.A., as Attorneys for the Trustee* [Docket No. 74] (the “Retention Application”). Thereafter, on August 28, 2013, the Court entered an order authorizing the employment of BSSN as counsel to the Trustee pursuant to sections 327 and 328 of the Bankruptcy Code [Docket No. 107] (the “Retention Order”).

4. As set forth in the Retention Order, BSSN was authorized to, *inter alia*, “[advise] the Trustee with respect to his powers and duties in the Trustee’s continued management and operation of the Debtor’s business and property,” “[take] all necessary action to protect and preserve the Debtor’s estate,” and “[perform] all other necessary legal services and providing all other necessary legal advice to the Trustee in connection with the Case.” *See Retention Order*, at 2–3. The Retention Order further provides that BSSN shall receive compensation on an hourly basis and in accordance with the applicable provisions of the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, the Local Rules, the United States Trustee Guidelines for Reviewing Applications for Compensation & Reimbursement of Expenses filed under 11 U.S.C. § 330 (the “UST Guidelines”), and any applicable orders of the Court. *See Retention Order*, at 1; *see also Retention Application*, ¶¶ 13–14.

5. On October 9, 2015, this Court entered the *Order Confirming Trustee's Revised First Amended Plan of Liquidation Dated July 15, 2015 and Authorizing and Directing Certain Actions in Connection Therewith* [D.E. 1801] (the "Confirmation Order"), which, among other things, confirmed the *Trustee's Revised First Amended Plan of Liquidation Dated July 15, 2015 (As Amended on October 8, 2015)* [D.E. 1822] (the "Plan").

6. The effective date of the Plan occurred on December 22, 2015 (the "Effective Date").

7. Pursuant to the Plan, *inter alia*: (a) the Estate Representative was entitled to retain professionals in the ordinary course of business and without further order of the Court, including any professionals previously retained by the Trustee; and (b) the Estate Representative's professionals must file fee applications for approval by the Court. *See* Plan at § 6.2(d).

8. On the Effective Date, the Estate Representative retained BSSN.

9. Since the Effective Date and throughout the Compensation Period, BSSN has worked with the Estate Representative to meet the challenges presented by this Case in a manner beneficial to the post-effective date estate of the Debtor (the "Post-Effective Date Estate") and the creditors of the Debtor's estate. The following discussion and materials annexed hereto cover the major categories of services for which allowance of compensation is sought.

COMPENSATION AND REIMBURSEMENT REQUEST

10. BSSN seeks allowance of compensation for professional services in the amount of \$287,871.50 and reimbursement of expenses incurred in rendering such services in the amount of \$2,761.21. Pursuant to Rule 2016(a) of the Federal Rules of Bankruptcy Procedure and Local Rule 2016-1(a)(3)(i), a detailed statement of professional services provided by BSSN to the Estate Representative during the Compensation Period (the "Billing Statement") is set forth on **Exhibit A**, annexed hereto and incorporated herein by reference. BSSN has carefully reviewed

the Billing Statement on a line-by-line basis to ensure that services have been billed under the correct fee category.²

11. Pursuant to Local Rule 2016-1(a)(3)(iv), a detailed statement setting forth billing rates, total hours billed, and total amounts billed for each professional and paraprofessional at BSSN during the Compensation Period and associated expenses incurred is contained in the tables located at the beginning of this Fee Application.

12. Other than an agreement between BSSN and the Estate Representative for the sharing of compensation with the Estate Representative as a shareholder of BSSN, no agreement or understanding exists between BSSN and any other entity for the sharing of compensation sought by this Fee Application. In addition, no payments have been made or promised to BSSN for services rendered or to be rendered in connection with the Case, except as set forth in the Retention Application and detailed in this Fee Application.

13. BSSN has substantial expertise in such areas as business restructuring and bankruptcy, energy and environmental law, and litigation and dispute resolution. Pursuant to Local Rule 2016-1(a)(3)(v), a brief biography of each BSSN professional and paraprofessional who has rendered services in connection with the fees and expenses described herein is set forth on **Exhibit B**, annexed hereto and incorporated herein by reference.

14. This Fee Application is BSSN's first application to this Court in this Case as counsel to the Estate Representative for compensation for professional services and reimbursement of expenses pursuant to sections 328 and 331 of the Bankruptcy Code, Rule 2016 of the Federal Rules of Bankruptcy Procedure, and Rule 2016-1 of the Local Rules. As required

² BSSN implemented twenty-two (22) task codes for specific categories of work to permit a more detailed analysis of the fees incurred. Given the multitude of attorneys and professionals involved and the number of task codes, inconsistencies are inevitable despite BSSN's best efforts to ensure that work on a specific topic is billed to a single task code.

by paragraph (b)(v) of the UST Guidelines, the Estate Representative has been given the opportunity to review this Fee Application and has approved the requested amount.

SUMMARY OF SERVICES

15. BSSN serves as legal counsel to the Estate Representative with respect to all bankruptcy matters that arise in or relate to the administration of the Debtor's Post-Effective Date Estate. In rendering professional services to the Estate Representative, BSSN's legal team includes professionals with extensive experience in bankruptcy, real estate, and litigation practices, among others. BSSN professionals have worked closely with the Estate Representative and his other professionals to coordinate assignments in order to maximize efficiency and avoid any duplication of effort.

16. All of the services for which BSSN requests compensation herein were rendered on behalf of the Estate Representative in connection with this Case, and all the time described on the attached exhibits represents the actual amount of time spent by BSSN professionals who rendered the described services.

17. BSSN does not wish to burden the Court with an overly detailed recitation of each and every matter with respect to which it has rendered services during the Compensation Period. Accordingly, this Fee Application is intended to serve as a summary description of the more significant services rendered by BSSN, and to highlight the benefits which have been conferred upon the creditors of the Debtor's estate as a result of BSSN's efforts. The following section provides an overview of certain of the significant services rendered by BSSN during the Compensation Period, organized by project category.³

³ The examples given under each task code or project category are not all-inclusive; **Exhibit A** contains comprehensive details for each code and category.

[D.E. 1977], Baker Newman & Noyes, LLC [D.E. 1991], and Kugler Kandestin, LLP [D.E. 1988]. BSSN spent 71.4 hours on this project category resulting in \$15,809.00 in associated fees.

D. Litigation

This project category relates to time spent conducting legal research, drafting and filing various motions and pleadings, and the initiation of, as well as defense against, certain adversary proceedings, and time for related court appearances. During the Compensation Period, services rendered by BSSN under this project category include:

- i. Research relating to claims under the Carmack Amendment;
- ii. Preparation for and attendance at hearing on motion to dismiss certain avoidance actions brought by the Trustee (UFTA complaint against Wheeling & Lake Erie Railway Company (“Wheeling”) and 2011 Transaction Complaint);

- v. Respond to Wheeling’s motion strike expert designation (including through additional disclosures) and court appearances related to same.
- vi. Docketing of various deadlines related to the above; and
- vii. Document review and production in connection with Wheeling’s document requests.

BSSN spent 921.5 hours on this project category resulting in \$204,737.50 in associated fees.

ACTUAL AND NECESSARY DISBURSEMENTS

18. As set forth on **Exhibit A** attached hereto, BSSN has disbursed \$2,793.27 as expenses incurred in providing professional services during the Compensation Period. The expenses incurred arise from, *inter alia*, Federal Express charges, filing and services fees, and transcripts. These expenses represent the out-of-pocket disbursements incurred during the regular course of the provision of legal services.

THE REQUESTED COMPENSATION AND REIMBURSEMENT OF EXPENSES SHOULD BE ALLOWED ON AN INTERIM BASIS

19. Pursuant to section 330 of the Bankruptcy Code, the Court may award professionals “reasonable compensation for actual, necessary services.” 11 U.S.C. § 330(a)(1)(A). In evaluating the amount of reasonable compensation to be awarded, the Court should consider:

the nature, the extent, and the value of such services, taking into account all relevant factors including:

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- (E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
- (F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. §§ 330(a)(3)(A–F).

20. BSSN submits that the services for which it seeks compensation in this Fee Application were necessary for and beneficial to the Post-Effective Date Estate. The services rendered by BSSN were performed economically, effectively, and efficiently. Accordingly, the compensation requested herein is reasonable in light of the nature, extent, and value of such services to the Debtor.

21. The work conducted was carefully assigned to appropriate professionals or paraprofessionals according to the experience and level of expertise required for each particular task. Whenever possible and where appropriate, BSSN sought to minimize the costs of its services by utilizing associates and paraprofessionals.

22. In sum, the services rendered by BSSN were necessary and beneficial to the Post-Effective Date Estate and such services were consistently performed in a timely manner, commensurate with the complexity and nature of the issues involved. Accordingly, approval of compensation sought herein is warranted.

[remainder of page intentionally left blank]

CONCLUSION

WHEREFORE, BSSN respectfully requests that the Court enter an order: (a) approving on an interim basis, pursuant to 11 U.S.C. § 330, \$290,638.71 in fees and expenses for BSSN in its capacity as counsel to the Estate Representative during the Compensation Period, consisting of (i) compensation for services rendered in the amount of \$287,871.50 and (ii) reimbursement of expenses in the amount of \$2,767.21; and (b) granting such other and further relief as the Court deems just and proper.
